

GENERAL INFORMATION

Zarnestservice LLC provides the sale of oil products, produced by the Group of companies Zarubezhneft in the domestic and international markets, the supply of equipment, materials and the provision of services for the needs of JV Vietsovpetro.

MAIN AREAS OF ACTIVITIES

Supply and sale of energy resources

Logistics

Supply of inventory

SUPPLY AND SALE OF ENERGY RESOURCES

Currently, Zarnestservice is an agent for the sale of oil produced by the Russian segment of Zarubezhneft Group of Companies. The Company sells oil products from companies - SK RUSVIETPETRO LLC, Ulyanovskneftegaz LLC, Orenburgnefteotdacha JSC.

Most of the oil products are sold by using transparent competitive mechanisms such as online auctions on the St. Petersburg International Mercantile Exchange.

Oil purchasers on the domestic market include: PJSC "NK "Rosneft", Gazprom Neft PJSC (Yaroslavl and Moscow refineries). The Company also carries out trading operations of oil, produced by third-party companies.

The oil is shipped to the refineries located in the south of Russia (Afipsky, Ilsky, Novoshakhtinsky), Siberia - (VPK Oil, Anzherskaya Oil and Gas Company), Tatarstan - TANECO.

OUR PARTNERS
